## *Qualifying Ancestors for Membership*

### **Goal**

The ultimate goal of the Spotswood Family Descendants is to establish an applicant's lineal descent through one of many lines reaching back to the Reverend John Spottiswoode, Sr., [1510 to 1585] Superintendent of the Scottish Church. The Lord Lyon of Scotland during the 17th century recognized the Rev. John Spottiswoode, Sr., as the legitimate heir of the Spottiswoode name and the Barony of Spottiswoode, located twenty miles south of Edinburgh. John lived in Midlothian, Scotland, and produced two sons: Archbishop, John Spottiswoode of Scotland [1565 to 1639] and Bishop James Spottiswoode [1567 to 1644] of Ireland. At their death, these two sons were buried by order of King Charles I, in St. Benedict's Chapel (near Poet's Corner) of Westminster Abbey.

Complete the SFD Application Form. Enclose copies of documentation, not original documents, as submitted documentation becomes the property of the SFD.

You may use a copy of an approved membership from a heredity group where you have established Spotswood lineage, although the documentation must still be submitted.

If the Lineal Application process is not completed within a twelve [12] month period, an applicant may choose one of the following:

- 1) Request a one-time extension, or
- 2) Convert the membership application to Auxiliary Membership

### **Recognized Member Lineages**

The Spotswood Family Descendants (SFD) accepts the following Qualifying Lineages to assist the prospective member's completion of Application Papers. The following are lineages that have been documented and verified by the SFD Registrar. Therefore, if you document your ancestry to any of the proven lines, you will not be required to submit documentation for the earlier generations already verified and established with SFD. You should still include each generation's name, place and date information, but in the section for Proof, indicate the SFD Membership Number that you are referencing for those generations. Example, a Proof eventually documenting a connection with an established line could look like the following: SFD #4-23, referring to descent from Governor Spotswood through his great-grandson, Colonel Alexander Elliott Spotswood and his wife, Elizabeth Washington.
